

## Involving Older Children

If you are working with a mixed age group, the older children can use their bibles to look up references about Jesus praying. If Jesus, who is God's son and without sin, prayed so much then surely we too need to follow his example.

Give the older children a list of bible references to look up and sort into groups of when, where or why Jesus prayed.

Here are some examples to get you started. Use them all or pick out your favourite ones. You could also add to them – Jesus prayed many times. You could write them on a whiteboard/flipchart/big sheet of paper and then ask the children to write beside each reference what it tells us about prayer. Alternatively you could write them on smaller pieces of paper, put them in a bowl/jug/some type of container and allow children to pull out one at a time, look it up and record what they have discovered about when, where or why Jesus prayed.

These older children could then 'report back' to the younger children about what they have found out.

Jesus Arrested

1 When he had finished praying, Jesus left with his disciples and crossed the Kidron Valley. On the other side there was an olive grove, and he and his disciples went into it.

2 Now Judas, who betrayed him, knew the place, because Jesus had often met there with his disciples. 3So Judas came to the grove, guiding a detachment of soldiers and some officials from the chief priests and Pharisees. They were carrying torches, lanterns and weapons.
